## Preface

This volume contains papers submitted to the XII Annual International Conference of the Bulgarian Comparative Education Society (BCES), held in Sofia and Nessebar, Bulgaria, in June 2014, and papers submitted to the II International Distance Partner Conference, organized by the International Research Centre 'Scientific Cooperation', Rostov-on-Don, Russia. The volume also includes papers submitted to the International Symposium on Comparative Sciences, organized by the Bulgarian Comparative Education Society in Sofia, in October 2013.

The XII BCES Conference theme is *Education's Role in Preparing Globally Competent Citizens*. The II Distance Partner Conference theme is *Contemporary Science and Education: New Challenges – New Decisions*.

The book consists of 103 papers, written by 167 authors and co-authors, and grouped into 7 parts.

Parts 1-4 comprise papers submitted to the XII BCES Conference, and Parts 5-7 comprise papers submitted to the II Distance Partner Conference.

The 103 papers are divided into the following 7 parts:

Part 1: Comparative Education & History of Education (11 papers);

Part 2: Pre-service and In-service Teacher Training & Learning and Teaching Styles (20 papers);

Part 3: Education Policy, Reforms and School Leadership (8 papers);

Part 4: Higher Education, Lifelong Learning and Social Inclusion (23 papers);

Part 5: Educational development strategies in different countries and regions of the world: national, regional and global levels (28 papers);

Part 6: Key directions and characteristics of research organization in contemporary world (5 papers);

Part 7: International scientific and educational cooperation for the solution of contemporary global issues: from global competition to world integration (8 papers).

The distribution by languages is: 70 papers are in English, 32 in Russian, and 1 in Spanish. As in the previous eleven volumes, studies presented in this book cover all levels of the educational system – preschool, primary, lower secondary, upper secondary, postsecondary and higher education, as well as doctoral programs.

The global character is one of the typical established features of the BCES Conference Books. The geography of countries included in the studies, presented in this volume, encompasses the world: Armenia, Austria, Brazil, Canada, China, Croatia, France, Germany, Hong Kong, Hungary, India, Ireland, Israel, Italy, Kazakhstan, Latvia, Lithuania, Macedonia (FYR), Mexico, Namibia, Netherlands, Nigeria, Poland, Romania, Russian Federation, Serbia, Slovenia, South Africa, Spain, Turkey, Ukraine, United Kingdom, USA.
